Believe in the best.....

Established in the year 2006, we, "Ria Industries" are counted among the most prominent manufacturers and suppliers engaged in offering Plastic Casseroles, Water Jugs, Flasks and Lunch Packs, Hot Pots. These products are manufactured using quality tested plastic and other material under the strict supervision of quality controllers. The products offered by us are appreciated by the customers for their light weight, dimensional accuracy, longer life and resistant to heat.

We have progressed due to our vast industry experience and practical knowledge in this domain. Owing to inspirations, we have been able to cater the varied needs of our client base across the country.
